**We have set a few special menu items aside for our larger bookings and events to make sure that our kitchen runs smoothly, and everyone gets the proper service they deserve.**

**Please note that ALL bookings with more than 15 guests attending must make use of our buffet options or decide on one of our set Menus at least 5 days prior to the booking.**

# Steps to book your Function

---

## What we will need from you to book your function:

1. The date of your Event 

---

After we have confirmed the availability of the required date, the venue will remain open and available to any other bookings until the payment of the deposit. The deposit should not be paid later than 3 days after the enquiry.

2. The amount of people 

---

Any booking for 15 people and more will need extra setup, planning and care to make sure that everything runs smoothly, and therefore a non-refundable operation fee of R375 is required.

3. Area you would like to be seated in 

---

Our garden area is beautiful and serene, but keep in mind that we are mainly an outdoor venue and unfortunately the weather is a big factor to consider when booking your event. Therefore, there are no venue charges for using our garden area, only the operation fee. In the case where bad weather leads to the cancellation of your function, pre-ordered beverages will be refunded, but you will unfortunately forfeit the operation fee and any costs undergone to prepare food, coffees or drinks. Food may be taken home to enjoy with your family and friends.

**All terms and conditions apply.**

# Steps to book your Function

---

## 4. Time you'd like to have your Event

It is important to make sure to arrange the time the event will start as well as the time you would like the food to be served. We prefer to serve the food fresh and warm. Therefore, any delays will prevent us from delivering the quality of food that we are accustomed to providing.

## 5. Menu Option chosen

As we are not a fast-food restaurant, serving tables larger than 15 guests cause a build-up of orders in our kitchen. Therefore, delivering quality and fast effective service to our restaurant guests become difficult. To have a smooth-running system, it is required that you order from our function menu prior to your event.

## 6. To confirm your Booking. a Deposit is required

Please note that a R375 non-refundable deposit payment is required to confirm your booking for the date of your event and will be deducted from your final invoice.

We would need to know your menu option no later than 5 days before the day of the event. A 50% deposit is required thereafter.

**All terms and conditions apply.**  
**Please refer to our cancellation policy.**
